Interests I like reading books about design and contemporary history. I read Computer Magazines to stay in touch with the new high tech development. I like Alternative Rock, Indie and Electronic music. I interested in Drawing and Photography since high school and I like Dave McKean comic strips and Charlie Chaplin movies. I use my free time to surf the net in design and graphic websites. I like sports as football, rugby, basketball and ice hockey but I don't put into practice them. I practice futsal and mountain-bike with my friends in the mountains around my home in Italy.
I try to protect the environment the best I can. I support ecology, green energy and stop global warming action.

Other Informations I want to make experiences in foreign countries with cultures different from mine. It's for 6 months that I live in Sydney and English language is important stuff for my future skill and day by day I'm improving it. I'm an open-minded and tenacious person and I do my best in every opportunity.
I have ABN for freelance job.
